

This Week's Plan

Morning Circle Discussion

Table Activities

Games

M	<p>Memorial Day is when we remember and honor all the people in the military that died defending our Country.</p> <p>Read the Poppy Prayer</p>	<p>Red, white and blue windsock craft</p> <p>Splat painting</p>	<p>Outer Space Craft kit</p>
T	<p>Do you know what the men and women who go into space are called?</p> <p>Sing <u>Twinkle, Twinkle, Little Star</u></p>	<p>Constellations are groups of stars that make a picture. Make your own with star stickers and connect the dots. Don't forget to give it a name.</p> <p>Star Search- numbers 5-10</p>	<p>Make your own moon sand. See recipe on our website.</p> <p>Try walking in slow motion and pretending you can float like the astronauts on the moon.</p>
W	<p>If you wanted to look way into space to get a better look at the stars and moon and comets you would need a telescope.</p>	<p>Make a comet tail with foil and black ribbon</p> <p>Color-by-shape rocket</p>	<p>STEAM- Use your comet tail to play flying comet.</p> <p>Watch footage of astronauts on the moon on Youtube.</p>
T	<p>Sing <u>Hey Diddle diddle, the Cat and the Fiddle</u></p>	<p>Open some oreo cookies to demonstrate phases of the moon. Make journal drawings of each phase</p>	<p>Make a moon and moon craters with a ball of playdough and use a flashlight to cast shadows to illustrate why the moon looks like it has spots.</p>

Space

Targets

S s, 9, black

Question of the Day

1. Do you know what country we live in?
2. Would you like to be an astronaut?
3. Can you think of other tools or machines that start with 'tele'? What do you think it means when a thing has that word in its name?
4. Have you ever seen a full moon?
